

**CTE IN MEMORIAL HALL**  
State Capitol Building –Bismarck  
January 26-29, 2008

**Guidelines for Exhibits**

**Goals for the Exhibits:**

Have CTE students and CTSO members demonstrate and explain to legislators and others the purpose of the exhibit (i.e. – what the students learned).

Help legislators and others experience hands-on demonstrations to learn about the quality education that is taking place in ND CTSO and CTE programs.

**Types of Exhibits Wanted:**

Interactive, working demonstrations/displays of student's work

Hands-on exhibits that get legislators and others involved

**Important Messages That CTSO Exhibits Should Communicate:**

CTE provides unique opportunities for students to foster the development of leadership, collaboration, strategy, accountability, creative and critical thinking skills needed to be successful in and out of the workplace.

CTSO's offer the opportunities for young leaders to work with and help others be more successful.

**Important Messages That CTE Program Exhibits Should Communicate:**

CTE can be the route to exciting, well-paid careers in many fields, including those in a variety of high-tech, health, and other emerging career fields.

CTE teaches language, math, and science skills in the context of career interests.

CTE expands a student's career options by helping students develop transferable skills and universal workplace attitudes.

Investment in CTE is a good investment in the future of North Dakota.
